

The Overland Balkan's tour of Slovenia, Croatia, and Bosnia and Herzegovina.

Croatia, Bosnia and Herzegovina.

An intense but epic tour as we will drive through some of the most amazing scenery Europe has to offer.

After meeting in Calais, we will begin our adventurous journey across Europe, Traveling through the Black forest of Germany, into Switzerland to the amazing Rhine falls, then on to Salzburg and the foot of the Eagles nest, before crossing into Austria and the Grossglockner (toll Road) towards Slovenia, through the national park heading to Lake Bled for a 2-night stay,

From here we continue into Croatia to the abandoned underground airfield before heading into Bosnia and Herzegovina through the national park and onto Mostar.

The next part of the journey we head to the amazing town of Dubrovnik where we will stop for 2 nights. now we start our journey home as we head north high in the mountains, on a dirt road which overlooks the stunning coastline the the long way back, we follow the coast using minor roads and offroad trails heading back into Slovenia and into Italy, crossing through the amazing Dolomites and up the famous Stelvio mountain pass as we head to Chamonix, then back across the Jura mountains to Calais

We will be stopping and visiting many other attractions on the way, places are very limited and we expect this this trip to fill up quickly.
